

NATURE PHOTOGRAPHY

I take a variety of different types of pictures. Despite nature's harshness and cruelty, there are many things in nature that are beautiful. These are assorted nature pictures I chose to showcase.

This is a picture of the Grand Canyon I took.

I took this one at Yosemite.

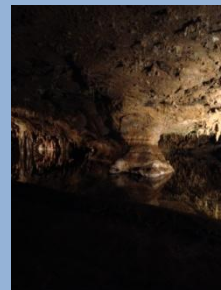

This is a picture from Keene Pumpkin Festival.

A picture of Zion National Park.

This is a flower in my front yard.

A picture inside Luray Caverns.
